Membership. Summary by Gary. Lisa Ward is taking over all membership duties this year. We have 100 "paid" members in the 2010 – 2011 season, just ending. Including families in that, we have 202 members. 22 new members this past year. Last season, membership dues brought in \$5,535. [In 2009 – 2010 we had 115 "paid" members (not including families, NIF). In 2008 – 2009 we had 124 "paid" members, NIF.]

Treasury. Albert report. \$2,544 on books. \$5,564 in bank (on statement). We got the RAPZ funds. \$4000. That will be used this year, we turn in RAPZ "receipts" at the end of the year (our season).

What we did last year:

- Worked with USFS marking boundaries
- Noting infractions of snowmobiles – what, where, when. We have a web form online.
- Special Olympics. In February. Skiing and snowshoeing.
- Fundraiser
- GenXC. (Jamie et al. Little and middle groups. No older group. Get Becca Scully involved this upcoming season.)
- Grooming ski trails. Chris Monz told us that at a rate of \$15 per hour, our folks provided \$10,000 worth of grooming work.
- We purchased ORP (old ORC) equipment, got a great deal. Cost us only \$5000 for trailer, groomers, etc. Snowmobiles are at USFS maintenance yard now. We rented a space at Armor Storage, using that for some gear.
- Groomed Beaver Bottoms too. Beynon lead. Barb helped coordinate Beaver Mtn work. Paid Beaver Mtn \$2400 last year for their work on Beaver Bottoms trail.
- CROWBAR ski race. Cameron lead. Cameron brought in sign up sheet with list of needs and assistance for this upcoming year's race. Good event, the Crowbar. People like it. Took pictures.

Measured parking lots. Cameron set tentative date, President's Holiday weekend, **Saturday, 18 February 2010**. logancrowbar@gmail.com or crowbar@nordicunited.org

- Winter trails day. Thanks volunteers, Tracy, et al.
- Skate ski clinics held. Lisa Ward will head again this upcoming season
- Website: David Rosenberg. Up and running website. Has RSS feed! David is looking into PayPal, way to pay dues online. Cost for that service may be 3% of take. More to come. What sponsors should be on webpage, front page? Campsaver, Xmission, RAPZ, etc. Other collaborators mentioned? USFS, Beaver Mtn, City of North Logan.

We need to rework membership list, make sure it is up to date. Check email list. Lisa and David.

Now, new nominations for NU board:

- Nominated Paige Weed Pagnucco
- Nominated Erin Davis
- Tracy Bowerman must bow out.

Be sure to discuss at next meeting:

- Date and time of meeting, 10 October, Lisa's house. 7 pm.

- Have a fundraiser similar to last year? That was the film showing at Logan Art Cinema event.
- Winter parking. Scott B submitted paperwork to/with Ron at USFS.
- Green Canyon sign! Scott lead.
- Albert, please break down finances. What would it cost us to do the same or similar work that we did last year?

Thanks all...
